TimePOS and Ocius Sentinel: a secure combination

Open Frontiers incorporates Commidea's latest chip & pin technology

TimePOS, the web-enabled, touch screen, point-of-sale till application from Open Frontiers, gives leisure enterprises superb control of all transactional activity, on one screen.

TimePOS incorporates Commidea's Ocius Sentinel, the best chip and pin payment solution available on the market, giving merchants confidence that their card payment mechanism is fast, secure and industry approved.

Ocius Sentinel, the UK's first true end-to-end dual encryption card payment solution, is Payment Application Data Security Standard (PA-DSS) certified *and* Payment Card Industry Data Security Standard (PCI DSS) compliant.

Using Ocius Sentinel, TimePOS delivers fast processing speeds whilst keeping customer payment details secure throughout the purchasing process; perfect for leisure operations that need to manage high volume gate admissions, and run busy on-the-day merchandise and food & beverage operations.

Oliver Wigdahl, Managing Director of Open Frontiers says *"Here at Open Frontiers, we pride ourselves in offering customers excellent, industry leading solutions; we are pleased to partner with Commidea – their Ocius Sentinel solution is the best chip and pin available, offering top-notch security and peace of mind and making TimePOS a truly industry leading EPoS solution."*

Notes to Editor:

- Open Frontiers is the driving force behind Time Pursuit, the web based leisure activity booking system. Time Pursuit allows leisure operators to sell admissions and activities in advance by ecommerce, phone or on-site. Best-in-class for time and capacity based activities Time Pursuit is packed with state-of-the-art functionality.
- Owned by husband and wife team, Oliver and Katy Wigdahl, Open Frontiers operates from a converted barn in the village of Ousden, near Newmarket in Suffolk.
- Clients include Go Ape!, BeWILDerwood, Xtreme.ie and FunForest. Go Ape is listed in the 2009 Sunday Times Fast Track 100 and won the Small to Medium Size Business of The Year Award at The National Business Awards 2009. BeWILDerwood was awarded the Themed Entertainment Award (TEA) for best budget website and "Best UK Tourism Project" from the British Guild of Travel Writers in 2009. Case studies, including details of the Go Ape franchise operation at Woburn Safari Park, are available on request.
- Time Pursuit has recently been used in study projects by the Judge Business School at Cambridge University, Judge Business School and the University of East Anglia Business School.
